# SH 620

Schneiden

**This tool is made for these applications**
Cable up to max. Ø 62 mm from conductor class 1 & 2 in accordance with DIN EN 60228 | VDE 0295 | IEC 60228

**That is particularly**
Cuts cables in a clean and smooth way. You are always perfectly prepared for the next processing step.

Handles even heavy jobs with ease, thanks to optimum transmission ratios.

The low weight and compact size make it easy for you to work.

**These functions make cutting more convenient**
The cable cutter can be easily operated with just one hand.

Tool lies comfortably in the hand thanks to soft handles with anti-slip protection.

Can be released in any cutting position in the event of incorrect operation.
